

2025 ANNUAL MEETING OF SHAREHOLDERS

NOTICE AND ACCESS NOTIFICATION TO REGISTERED SHAREHOLDERS

You are receiving this notification as Pembina Pipeline Corporation (**Pembina, the Company** or **our**) has decided to use the notice and access procedures to deliver materials to its shareholders whose common shares are registered in their own name (**registered shareholders**) in connection with our 2025 annual meeting of shareholders (the **meeting**). Pembina is using notice and access to deliver our notice of meeting and management information circular (the **circular**) dated March 20, 2025 (collectively, the **meeting materials**) by providing you online access instead of mailing paper copies.

As permitted by the Canadian Securities Administrators, notice and access is a method for delivering meeting materials that allows companies to post meeting materials online and send shareholders a notice with information on accessing meeting materials electronically. This method helps to reduce paper and mailing costs and also to reduce the related environmental impacts.

Included with this notice is a form of proxy so that you can vote your shares. More information on how to vote can be found below.

If you have questions about notice and access, call us toll-free at 1-855-880-7404.
